**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been with a independent internet/phone service for almost 10 years now. I've tried some of the big companies like century link and at&t and didn't get the service i do now. The company i have now (Idea Tek) always is fast with customer service and any repairs I've had.

I don't want to have to pay more or double than what i am now plus give up the great customer service i recieve.

NO TO HIGH PRICE LARGE COMPANY'S That only care about how much they can pull in dollar wise

Thank you
